DETAILED ACTION

Amendment

1. The amendment filed 12/02/2004 under 37 CFR § 1.111 has been entered. Claims 21-44 are pending in the application, claims 1-20 having been cancelled previously and new claims 43-44 being added by the amendment.

Terminal Disclaimer

2. The terminal disclaimer filed 11/08/2004 has been entered.

Allowable Subject Matter

3. Claims 21-44 are allowed.

Reasons For Allowance

4. The following is an examiner's statement of reasons for allowance:

The limitations recited in claim 31 for a method of reinforcing or baffling a structure of an automotive vehicle with a structural assembly comprising providing a structural assembly including a first member having a first surface opposite a second surface and a second member having a first surface opposite a second surface; and providing an expandable material intermediate the first member and the second member, the expandable material being different from a first material forming the first member and a second material forming the second member the first material being either the same or different than the second material; and positioning the structural assembly within a cavity defined by the automotive vehicle structure and expanding the expandable material between the first surfaces of the first and second

members and thereby promoting connection of the second surface of the first and second members with two of the surfaces of the cavity, and together with the other recited limitations of the claim are not found in the prior art of record nor may be derived from any reasonable combination thereof.

Claims 21 and 39 each recite similar and additional limitations as claim 31.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
